**7:00 p.m. - Midnight**

The annual Home & School fundraiser is scheduled for Saturday, March 6th. All funds raised from this event help our parish and school educational buildings and programs. The evening includes games of chance, great food, an exciting, multi-table Silent Auction and Raffle Baskets. The event is held in the SS Philip & James Cafeteria.

An important part of putting together an event like this is the participation of the parish and school community. All of us working together in many ways make this event happen and a success!
