

SS. PHILIP & JAMES HOME & SCHOOL ASSOCIATION

Dear SS Philip & James School Families,

The SSPJ Home and School Association is proud to announce our Spring Fundraiser:

Casino Night....Let the Good Times Roll! **March 6, 2010**

Based on your thoughtful feedback provided this past fall in our fund raising survey, we have made some adjustments to our annual fund raiser in the hopes of simplifying the evening. We are trying to be sensitive to the many recent requests for money and do not want to lose the camaraderie that is the SS. Philip and James School community.

Some of the changes to the event include:

- The addition of slot machines
- Raffling of two one-half tuitions
- The elimination of Classroom Baskets
- The elimination of Neighborhood Baskets
- Streamlining of decorations to reduce costs and time required for event set-up and clean-up.

Enclosed in this week's communication envelope is an information packet with all the pertinent details about Casino Night. All the information is also available on the school web-site (www.school.sspj.net).

In order to involve all families in the support of the event and in light of the elimination of Classroom and Neighborhood Baskets, we are requesting a \$5 donation per child. The Casino Night Committee will use this money to purchase highly sought after items such as high-end electronics. Please use an envelope when returning the form below to the School Office.

Please make checks payable to: **SS PHILIP AND JAMES SCHOOL.**
Address the envelope "**Casino Night-Student Donation - Attention: Christina McKelvey**"

On behalf of the Home and School Association, thank you for your continued support of SS. Philip and James School. We hope to see you on March 6th.

Greg Sendi
Casino Night Chairperson
