

SS Philip & James Home & School Association's
Night at the Races & Casino Games Fundraiser
Saturday—March 1, 2008

On Saturday, March 1, 2008, the SS Philip & James Home & School Association sponsored the **SOLD OUT** Night at the Races and Casino Fundraiser. The evening was a huge success and everyone who attended had a great time. Best of all we raised over **\$46,000** to help support **updating the school's Social Studies curriculum including the purchase of new text books for the entire school**, and cafeteria improvements!! This would not have been accomplished without the support, generosity, and donations from those in our parish and school community as well as the business listed below. Please patronize these businesses and verbally express your gratitude to all who supported SS Philip & James Parish and School with their donations.
